### Pictures of Son Sent From Korea Keep Mom Posted

Pfc. Leroy Moore, 19, who is now serving in Korea, is letting his folks know how things are on the battle fronts with pictures.

Photos received here this week by his mother, Mrs. H. R. Moore of 1827 Gramerey Ave., show him with two ROK buddies, with a couple of war souvenir guns, and at the entrance to his "home," a well-padded dugout.

A former Torrance High School student and a native of Torrance, Pfc. Moore enlisted two years ago. He has been overseas since last October.

**SOUVENIRS** . . . Moore and some of his Korean "police action" souvenirs.

### Vote to Annex Dominguez to West Basin Due

Hearings on the petition of the Dominguez areas of West Basin to annex to the West Basin Municipal Water District may be held sometime after July 8, it was announced yesterday by Carl Fossette, general manager of the West Basin.

The hearings have been twice continued because special terms under which the annexation would be acceptable have not been received from the MWD board of directors.

The fixing of special terms, including the amount of back taxes to be paid, is difficult, Fossette explained, because the area contains several taxing districts which extend over the area but are not included in the annexation proposal.

### Vote to Annex Dominguez to West Basin Due

Fossette said the determination of actual assessed valuations for the territory for each year since 1929, the basis for figuring back taxes, is difficult because of the overlapping tax areas. He expressed the hope that satisfactory terms can be presented at the MWD board meeting July 8. If agreed upon, an election can be called soon after that date, he said.

### Lt. H. B. Johnson Now in Korea

Serving in Korean waters aboard the patrol frigate USS Burlington is Lt. (jg) Harland B. Johnson, USN, son of Mr. and Mrs. D. W. Johnson of 1733 Arlington Ave.

Before entering the Navy Lt. (jg) Johnson graduated from Stanford Graduate School of Business.

He is the husband of Mrs. Betty L. Johnson formerly of Palo Alto, Calif.

The ship is operating with units of the UN Blockading and Escort Forces. She has sailed 85,000 miles along the Korean coasts, bombarding shore installations and providing protection for ships in Task Force 95.

The frigate fired 3,500 rounds of high explosives on Wonsan and Songjin while patrolling the East coast of Korea.
